- Treatment/Consultation At Request of Patient Research Marketing Billing or Claims
 Other: _____

"Health information" identifies you (the patient) by name, and includes other demographic information about you. "Health information" may include, but is not limited to: medical records, X-ray films, slides, tracings, strips, etc.

I hereby discharge the releasing facility, its agents and employees from any and all liabilities, responsibilities, damages, and claims which might arise from the release of information authorized herein, **to include alcohol, drug abuse, communicable disease including HIV status, and/or psychiatric diagnoses** compiled during my visit, encounter or hospitalization, or make copies thereof in accordance with the policies of this facility.

If applicable, I agree to the release of my medical or billing records containing the **sensitive information** listed above: Yes No

Protected health information used or disclosed pursuant to this authorization may be subject to re-disclosure by the recipient and is no longer protected by this privacy rule. If research-related health information is used or disclosed for continued research purposes, an expiration date or event does not apply.

This authorization will automatically **expire 60 days** after the date of signature below (except as indicated above), unless an earlier date is specified, or at the conclusion of a specified event. I understand that I have a right to revoke this authorization at any time, in writing, as stated in the Notice of Privacy Practices, except where the facility has already made disclosures in reliance upon my prior authorization.

Treatment, payment, enrollment or eligibility for benefits may not be conditioned on obtaining an authorization if the Health Information Portability Accountability Act prohibits such conditioning. If conditioning is permitted, refusal to sign the authorization may result in denial of care or coverage.

NOTICE TO RECEIVING AGENCY OR INDIVIDUAL: This information is to be treated in accordance with Health Insurance Portability and Accountability Act (HIPAA) privacy regulations.
